<b>RE2006 International Conference</b> ■ Oct.9-13, Makuhari Messe ■ 1063 Participants, 55 C'tries ■ 663 Paper Presentation ■ Keynote Speech : NREL ■ WS & Events, more than 20  <b>1st International Exhibition</b> ■ Visitors: 20,203 ■ 366 Booth by 208 Exhibitors	<b>2nd International Exh'n &amp; Int.Forum</b> ■ Oct.10-12, Makuhari Messe ■ Visitors: 16,390 & Forum: 2,760 ■ Keynote : UK	<b>3rd International Exh'n &amp; Int.Forum</b> ■ Jul.30-Aug.1 Tokyo Bigsite ■ Visitors: 45,547 & Forum: 4,142 ■ Keynote: Germany  Joint with PVJapan 2008	<b>4th International Exh'n &amp; Int.Forum</b> ■ Jun.24-26, Makuhari Messe ■ Visitors: 50,076 & Forum: 6,585 ■ Keynote: Denmark  Joint with PVJapan 2009	<b>RE2010 International Conference</b> ■ Jun.27-Jul.2, PacificoYokohama ■ 1359 Participants, 66 C'tries ■ 887 Paper Presentation ■ Keynote Speeches : IEA, IRENA ■ WS & Events, 20 <b>5th International Exhibition</b> ■ Visitors: 44,290 ■ 920 Booths by 450 Exhibitors  Joint with PVJapan 2010	<b>6th Internati'l Exhibition &amp; Forum</b> ■ Dec. 5-7, Makuhari Messe ■ Visitors: 37,594 & Forum:3,962 ■ Keynote: Canada  Joint with PVJapan 2011	<b>7th Internati'l Exhibition &amp; Forum</b> ■ Dec 5-7, Makuhari Messe ■ Visitors:42,506 & Forum 4,867 ■ Keynote: Brazil  Joint with PVJapan 2012	<b>8th Internati'l Exhibition &amp; Forum</b> ■ July 24-26 Tokyo Big Sight ■ Visitors: 45,308 & Forum: 4,267 ■ Keynote: France  Joint with PVJapan 2013	<b>Grand RE2014 International Conference</b> ■ July 27-Aug. 1 Tokyo Big Sight ■ 1,357 Prticipants, 48 C'tries ■ Paper Presen. 936 ■ Keynote & Invited 18 Ex ■ Special Sessions, WSs: Fukushima,ZEMCH,Energy  Joint with PVJapan 2014	<b>10th Internati'l Exhibition &amp; Forum</b> ■ July 29-31 Tokyo Big Sight ■ Visitors: 37,179 & Forum: 3,460 ■ Keynote: USA  Joint with PVJapan 2015	<b>11th Internati'l Exhibition &amp; Forum</b> ■ June29-July1 PacificoYokohama ■ Visitors: 25,123 & Forum: 3,742 ■ Keynote:Japan  Joint with PVJapan 2016	<b>12th Internati'l Exhibition &amp; Forum</b> ■ July5-7 PacificoYokohama ■ Visitors: 26,938 & Forum: 2,369 ■ Keynote:Japan  Joint with PVJapan 2017	<b>Grand RE2018 International Conference</b> ■ June 17-22 PacificoYokohama ■ 1,121 Prticipants, 47 C'tries ■ Paper Presen. 713 ■ Keynote & Invited 20 Experts ■ S.Sessions, WS 7 <b>13th Internati'l Exhibition</b> ■ Visitor 21,881 ■ 404 Booths  Joint with PVJapan 2018

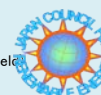

### Japan Council for Renewable Energy, JCRE

- Foundation: June 8, 2007, for sustaining RE2006 successful contents and philosophy
- Organization: NEDO, AIST and NEF involved as Organization, in addition to RE2006 core members
- Objective and Goal: Full activity as linking pin among various stakeholders who research, develop and disseminate less burden energy for global environment in coincidence with our vision, Living in One World.
- Areas of activities : 12 areas described below , but updated in matching the time.

### Materialization of JCRE Activity

- Every 4 years, International Conference in Japan (2006, 2010, 2014, ---)
  - Every year, International Exhibition (Year of Int.Conference, simultaneously held)
  - International Forum held in coupling with International Exhibition
  - Intermediate year of Int. Conf. (2008, 2012, ---), held in Asia with collaboration.
- Home Page <http://www.renewableenergy.jp>

Jan. 20, 2016,  
Legal authorization given as Non-Profit Organization too.

- Supported by : Ministries,e.g. METI, Associated Corporates, Industry and Academia Leagues
- Special Collaboration : Takahashi Research Foundation, Fuji Sankai Business-I, CNT

### JAPAN

- In Aug. 2004, Japanese preparatory committee for "RE2006" decided doing it in Japan Initiative and the partnership with International Solar Energy Society, ISES.
- Spring 2004, WREN's 2006 Intern'l Conference was broken due to the mis-match of conditions.
- In METI, New Energy Conference Organization was founded in year 2000 within government energy tactics conference. .
- Japan Organization for Promotion of Renewable Energy, JOPRE, was organized in Oct.,1998.
- In 1990's, Sunshine Project was on track by NEDO initiative.

### WREN (World Renewable Energy Network) :

- UK organized It in 1992,94, US in 1996, Italy in 1998, UK in 2000, Germany in 2002, US in 2004. Japan was expected in 2006.
- Academia and researchers participated continuously in these conferences.
- Every even number of year, RE World Conf'ce to be held, the 1st in UK, 1990.
- World Renewable Energy Network, WREN, was founded in 1989, which was backed up by UK Environment Ministry.
